# OUR MISSION

CYEGA offers Vital Mental health services to different surrounding areas in Texas. Our goal is to provide vital and much needed mental health care to our clients who may not have the opportunity due to lack of services available in their area. CYEGA recognizes the impact of a lack of service available in their area. CYEGA is committed to providing the support wherever needed. We are currently servicing children, adolescents, and adults!

CYEGA has chosen a team of mental health professionals to bring vital components of our program to different cities in Houston. Our teams of specially chosen professionals are committed to serving others; and willing to travel to different cities in Houston!

Case Managers, Therapists, and Psychiatrists provide direct care to our clients, by serving children, adolescents, and adults. Our Clients are taught coping skills, given medication; by licensed psychiatrists; as well as given skills building skills to help their mental health needs.
